**A MESSAGE FROM
PATRICIA A. GABOW, MD**
CHIEF EXECUTIVE OFFICER AND MEDICAL DIRECTOR,
DENVER HEALTH

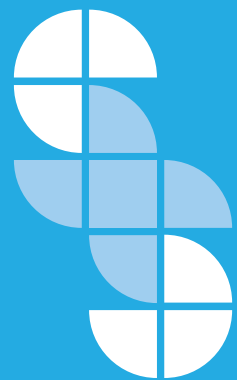

Denver Health is a unique resource for Denver and Colorado. Denver Health is here to deliver healthcare in our state-of-the-art medical services, the premier training center, the 3000+ beds for the state, and the public health department for Denver.

We add a new dimension to our concern for the well-being of everyone with the formation of our Rocky Mountain Center for the Medical Response to Terrorism, Mass Casualties, and Biowarfare. This new Center brings together the expertise in the pediatric, first-responder, trauma, emergency, disaster, trauma, mass, health, infectious, through the joint efforts, the joint center's capacity for the highest level of care, the world-class, bioterrorism, and the metropolitan medical response system to create extraordinary readiness in case of such events.

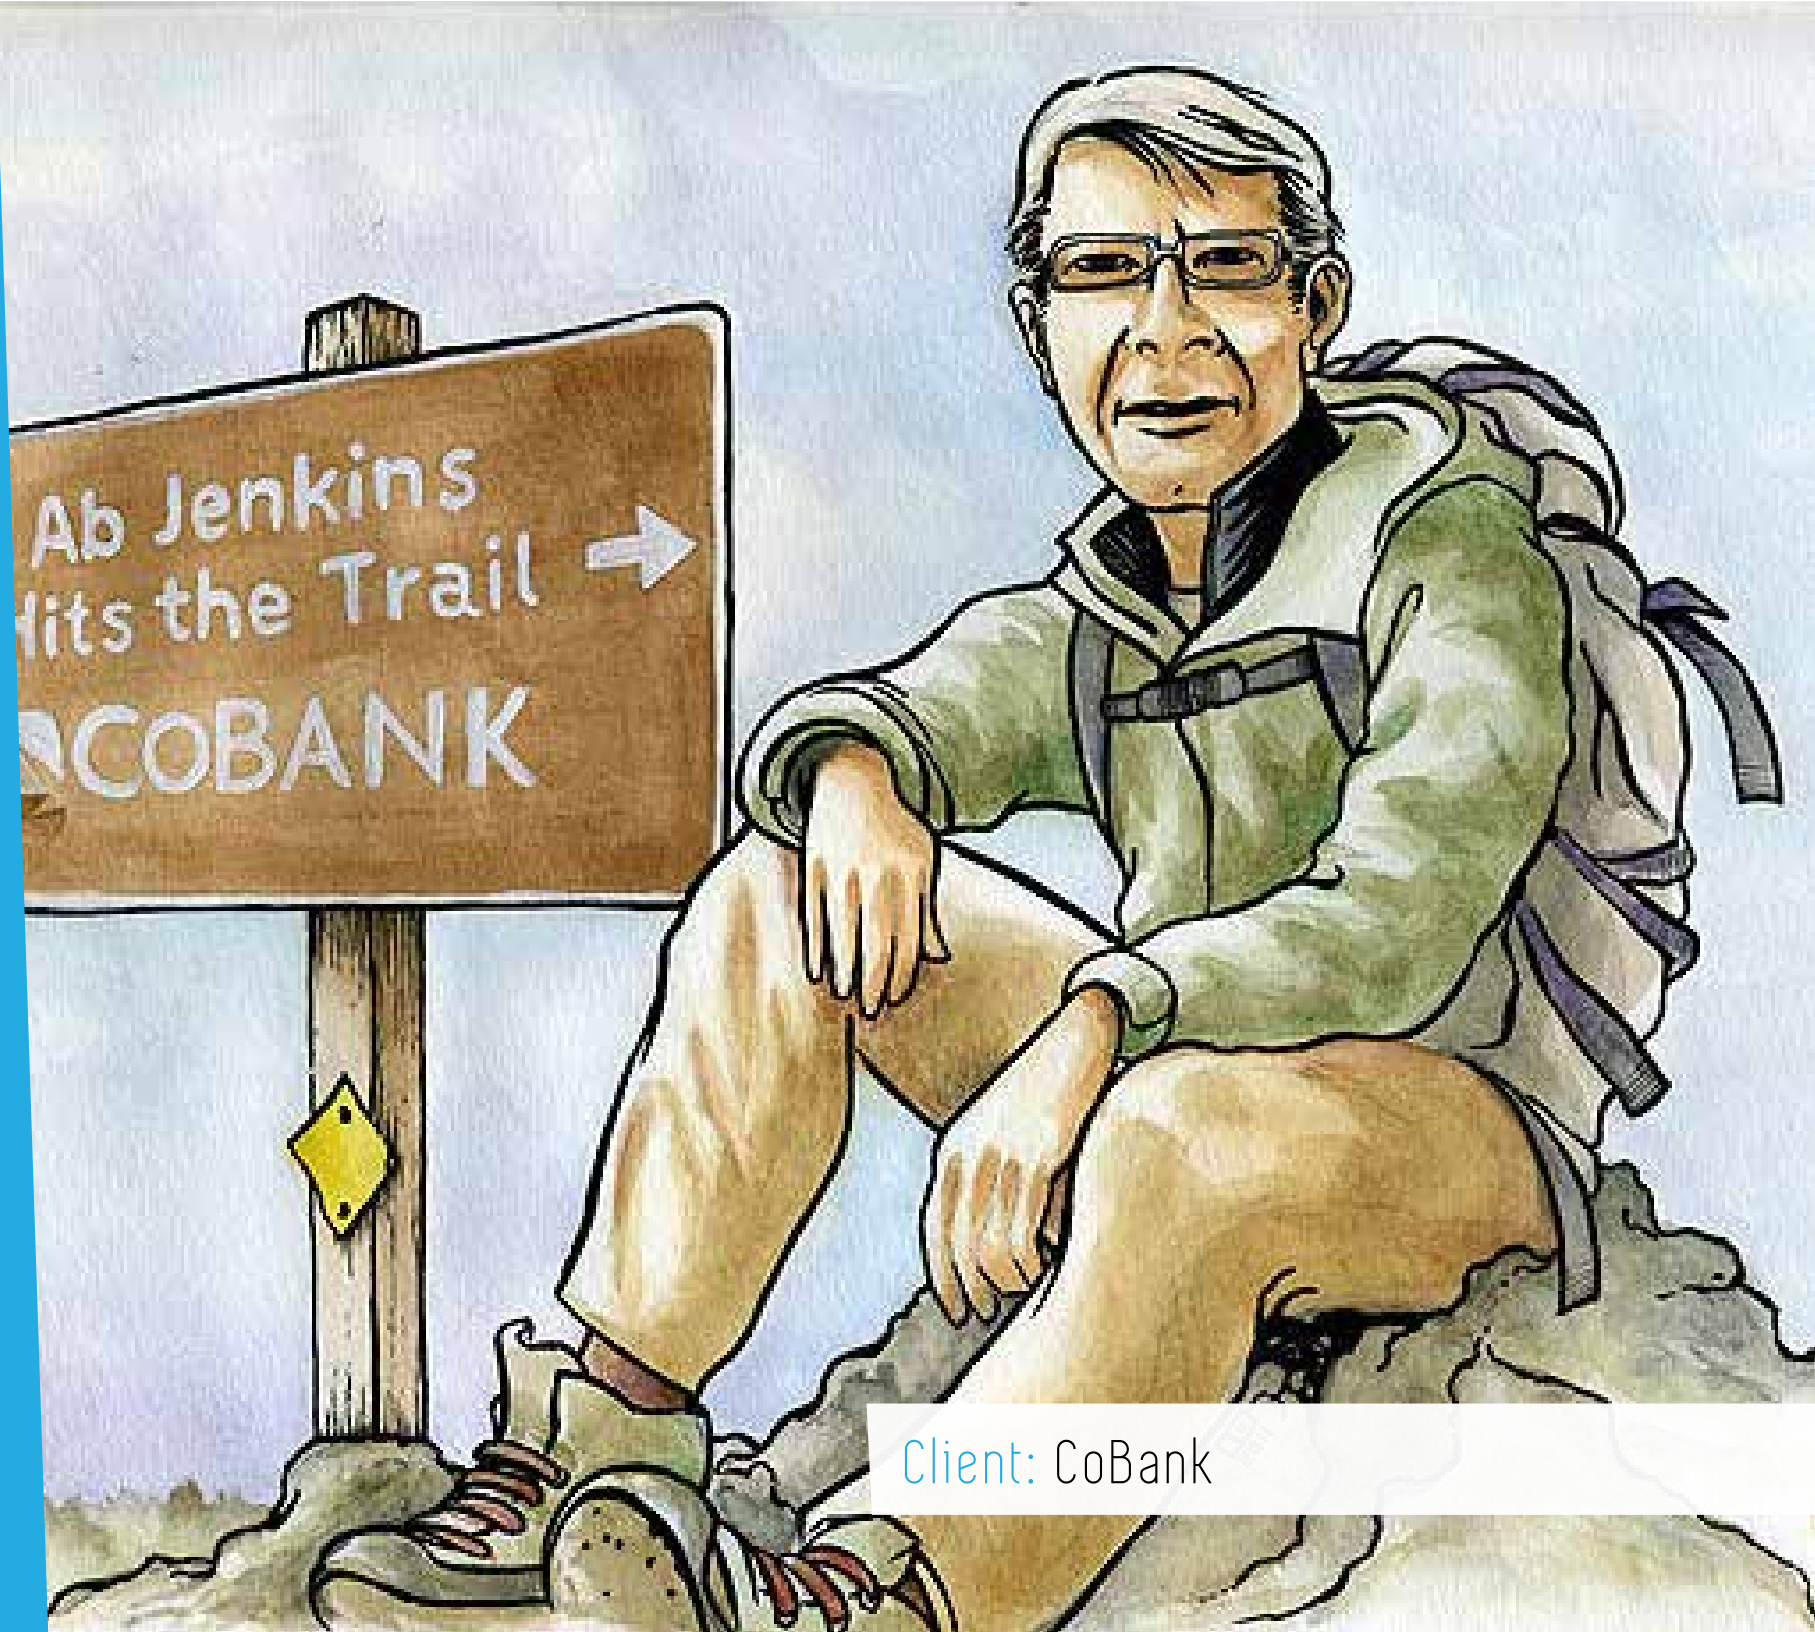

With Denver Health's mission to be a leader in a variety of key initiatives, a commitment to the needs of the most vulnerable populations like our uninsured, our commitment to this area in the region, providing 320 million in care to the uninsured last year.

Thank you for all you support the Gala and help us every way all year long to fulfill our role as a premier institution for the community.
